

Double 4 patch

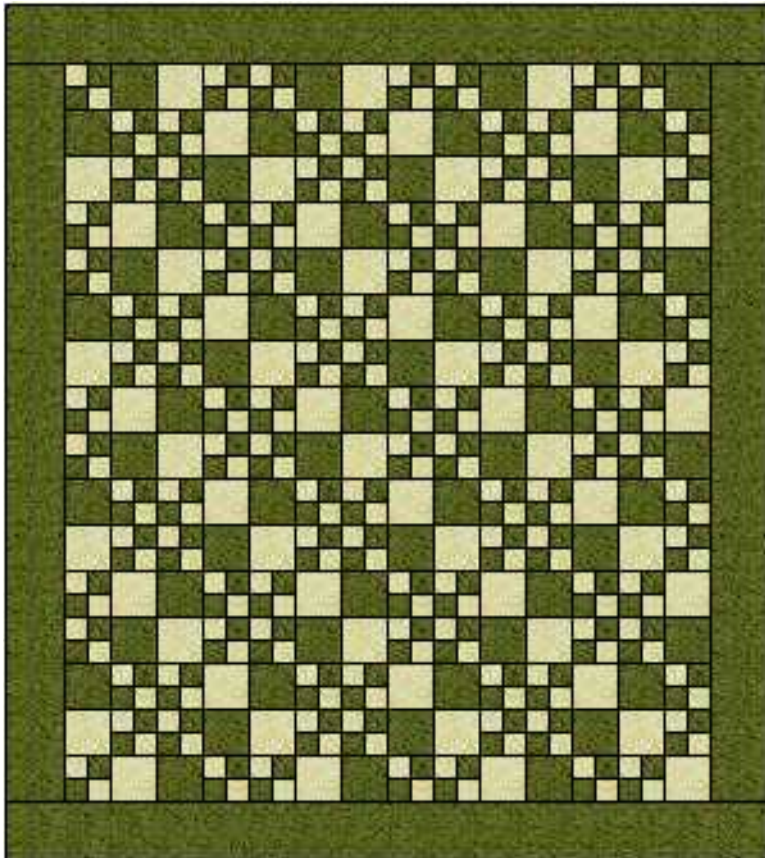

Although these pictures are in two colors, my quilt was made from a variety of beige and green scraps.

Quilt Size is 66 x 74

Block size is 8 inches finished (8.5 unfinished with seam allowances)

Blocks are set 7x8

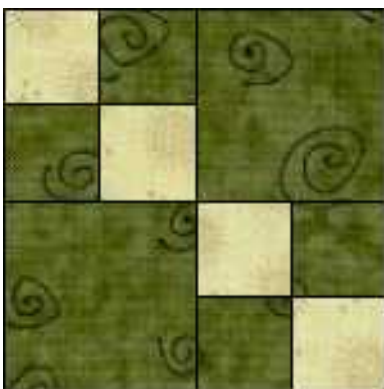

The single border is cut 5.5 inches wide.

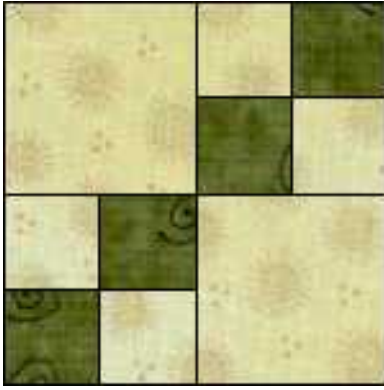

Block A - make 28 blocks

4 patch blocks are made from strips cut 2.5 inches

Solid block is cut 4.5 inches

Block B - make 28 blocks

Starting with block A lay out blocks being careful NOT to turn one the wrong way. Continue laying blocks out until you have 7 rows across and 8 rows down.
