

# 4 Patches on the Diagonal - Upsized

## Quilt Notes

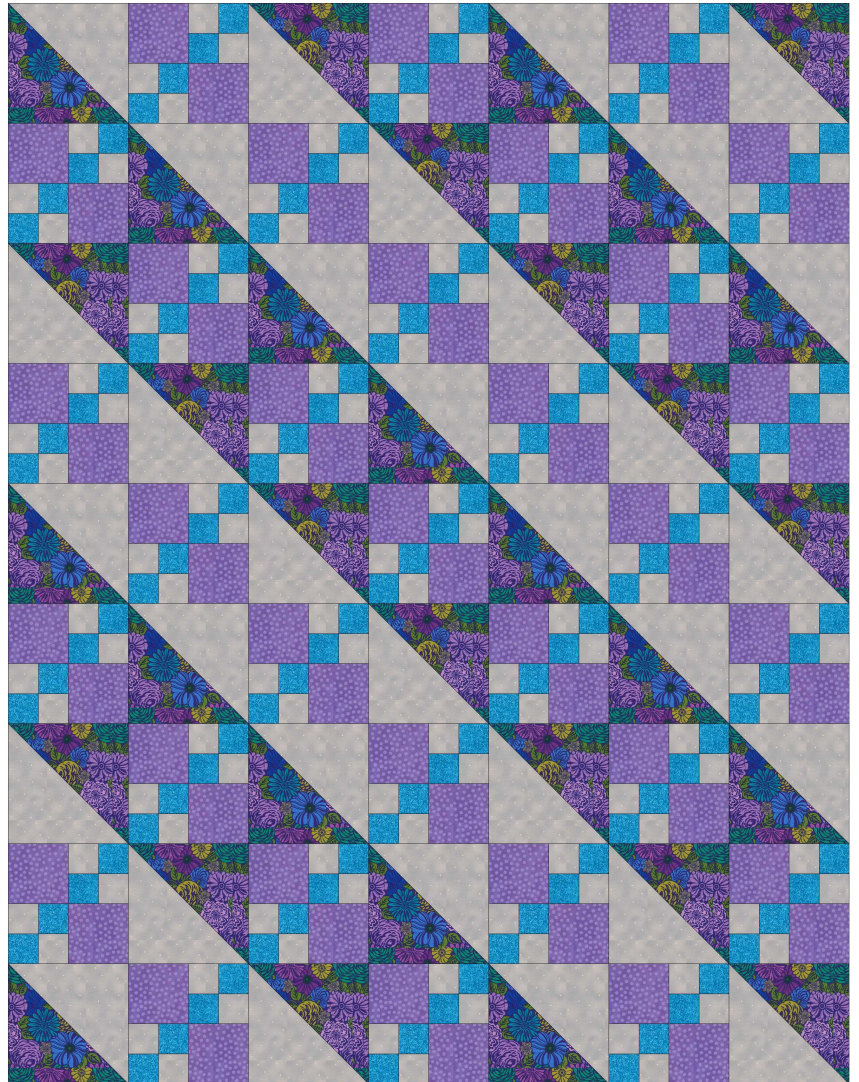

- ◆ Quilt size - 56 x 72
- ◆ Blocks set 7 x 9
- ◆ Block size - 8 inches finished (8.5 with seam allowances)

Referring to the original pattern if needed ... you will make/cut the blocks the following size.

Half Square Triangles are 8 inches finished (8.5 with seam allowances) - use whatever method of making HST that you prefer. I used my Accuquilt Go to cut mine.

Strips for the smaller 4 patches are cut 2.5 inches.

Purples squares are cut 4.5 inches.

The amount of fabric needed can be effected by how you cut and make your blocks but these are the amounts I used.

Print for HST - 1.25 yards

Gray background - 2.25 yards

Turquoise for small 4 patches - 0.75 yards

Purple for 4 patches - 1.25 yards

I will bind my quilt in a darker purple and will use 1/2 yards
